

# SULLIVAN CANYON PRESERVATION ASSOCIATION

For those who missed the open board meeting, here is a recap:

The current SCPA Board Members are: Raphaelle Cassens - Interim President, Peter Choate - Secretary, Julie Biel - Treasurer, Marcie Dinkin, Ann Dobkin (Santa Monica Mountains Conservancy Rep) Gail Lyon, and Randis Schmidt. The SCPA is a non-profit whose mission is to preserve the site as open public space for equestrian and equestrian friendly use, in conjunction with the City of LA, The Santa Monica Mountains Conservancy & the residents surrounding the site. Julie presented SCPA financials, copies of which you may request by emailing the board at: [SCPABoard@sullivancanyon.org](mailto:SCPABoard@sullivancanyon.org). The board discussed community outreach as a vital part of its mission and how we as a community really need to do a better job in this area. Ahead With Horses comes every week and could really use volunteers to help walk beside the children. For more information on how to help Ahead With Horses, please contact the site manager. Footing in the main arena was discussed, as well as a re-iteration of the intended dates for re-leveling the base (over the holidays/into the new year), and adding a binder/sand mix that will sustain the ring through the winter and until funds are available for an upgrade.

**Site Manager  
Office:  
310.454.6350. In  
an emergency  
only, please call  
the Site Manager  
at: 310.401.0826.**

**We have had too many incidences of people speeding through the neighborhood in their cars on their way to the ring lately. Please remember to SLOW DOWN to 5mph once you have turned off of Sunset!!! Also please remind your caregivers bringing children to lessons to do the same.**

## Meet Antonio Morales

Antonio Morales has worked for SCPA for 26 years! He lives in Los Angeles and is originally from Puebla Mexico. He is married with an 18 year old son and 21 year old daughter. When he is not skillfully driving the tractor at the site, he can be found at the Mall or manning his BBQ.

**The lost and found is getting full!  
Please check the lost and found box just outside the site manager's office for any missing items. Items not retrieved in 30 days will be donated to charity.**
